

Celebrate Life Parties

The Celebrate Party is one of Kythe's longest running programs. Individuals and groups sponsor a party for the sick children in any of Kythe's affiliate hospitals. As its name suggests, these parties are not only for the sharing of blessings, but for the celebration of life.

Thank you to the sponsors who generously share their time with the children. Thank you for the support!

CARMELA JALECO's 7th BIRTHDAY in NCH

Carmela celebrated her 7th birthday with the children of NCH. This was not only a Celebrate Life Party for the children in NCH, but for Carmela as well, because she too is a child with leukemia. Anne Curtis also joined in the celebration of Carmela's birthday.

ANNE CURTIS drops by to visit the children and take some photos with them. Shown above are Anne with Carmela and her parents (left) and Anne with patients of NCH (right)

MOONCAKE FESTIVAL in NCH

The Xavier School Parents Auxiliary (XSPA) has been Kythe's active partner for several years. Some Xavier parents have become volunteers and visit the children regularly. One special visit was a party celebrating the Mooncake Festival. The Xavier parents played a dice game with the children and distributed gifts, prizes and of course, mooncake.
