

# Don't Cry Little One

In celebration of the Child Life Month, Kythe offered a workshop-seminar entitled “Don't Cry Little One” last **March 16, 2007** at **Balay Kalinaw** in **UP Diliman**. The seminar focused on dealing with children in hospitals. Resource speaker was **Fatima “Girlye” Garcia**, Kythe's Executive Director and Certified Child Life Specialist. Students, trainees and clinical instructors joined the event. Kythe wishes to thank the institutions who were instrumental in the considerable turnout last March 16. Thank you **VGB Center for Training and Development, Corporation**, particularly **Mrs. Remy Olaño** and her fellow VGB trainers, and all the students and instructors from **University of Perpetual Help** and **Dr. Jose Fabella Memorial Hospital School of Midwifery** who were present at the event.

(L): **Girlye Garcia** is one of three Certified Child Life Specialists in the Philippines. (R): Ms. Garcia with some participants

Participants were first introduced to Kythe and its Child Life Program

Participants working on an empathy exercise

Participants during the workshop proper. They were given the chance to work on their own and then to discuss their work in small groups. Small groups were assisted and facilitated by designated Child Life staff

Participants share results from the small group discussions, for feedbacking and evaluation.

Thank you for actively participating at the workshop! And thank you to everyone who helped make the event a success.
