

Family Day

Last November 24, patients from the different Kythe-affiliate hospitals gathered together for the Family Day in the Ateneo Grade School Swimming Pool. Children from AFP Medical Center, NCH, NKI, QMMC and UST Charity Hospital came with their families and enjoyed a day of swimming, good food, games, fun and prizes. It gave the children and their families a chance to take a break and enjoy each other's company. We hope everyone had a blast at the Family Day.

The Family Day kicked off with a morning of **swimming** and several rounds of **Bingo**.

The afternoon activities included decoration of **Christmas stockings** . . .

. . . followed by a series of tasks and games that promoted fun family bonding.

Thank you to the officers and members of **KYTHE-ATENEO** for facilitating the events of the Family Day. Big thanks to the **CHILD LIFE SPECIALISTS** and **COORDINATORS** who helped out at the event. And thank you to **JERRY JOSE** for taking wonderful photos during the family day.
