

Toshiba Turnover at Quirino Memorial Medical Center

Last April 24, Toshiba Information Equipment (Phils.), Inc. turned over funds that the company was able to raise from its employees, to Quirino Memorial Medical Center (QMMC). Turnover ceremonies were held in the Healing Garden of QMMC, with Toshiba executives, Kythe representatives and QMMC representatives in attendance.

Kythe's partnership with Toshiba has stayed strong these past two years, and Toshiba has been instrumental in supporting Kythe's Child Life Program. Thank you **TOSHIBA!**

Construction of this Healing Garden in QMMC was made possible by Toshiba
