

# YOUNGER KIDS CAN HELP TOO!

We would like to recognize the following children who have extended their support to Kythe. These kids are humbling examples of generosity. Thank you Pipay and the boys of Beacon International School for helping us send the message that everyone can play their own part in helping Kythe's cause and bringing joy to the children.

**PIPAY CHENG**  
Kythe's youngest donor

**Students of BEACON INTERNATIONAL SCHOOL**  
spend time with some patients in NCH
